Your Quiz Night Guide
Thank you for choosing to support Great Ormond Street Hospital Children’s Charity by holding your own Quiz Night. In this guide, you’ll find everything you need in this pack to make your Quiz Night a huge success.

Great Ormond Street Hospital (GOSH) is a place where seriously ill children from across the UK come for life-saving treatments. This extraordinary place has always depended on charitable support – that urgent need still exists.

The children at GOSH need your help today to give them the best chance to fulfil their potential.

The incredible Play Team

Donations like yours could support GOSH’s incredible Play Team, who support children through treatment and recovery. As well as ensuring that children are ready for their treatment, the play team help children maintain a sense of normality through activities and games, and support siblings and parents.

Each year, play specialists carry out around 10,000 one-to-one sessions. About a third of these are distraction play sessions to reduce anxiety or prepare a child for a procedure.*

Just £152 funds a Play specialist to reduce anxiety for a child who is scared of needles for blood tests.
